

OFFICE OF THE SECRETARY OF THE TREASURY  
WASHINGTON, D.C. 20220

29 May 1973

STAT [redacted]  
Director of Personnel  
Central Intelligence Agency  
Washington 25, D.C.

Dear Harry,

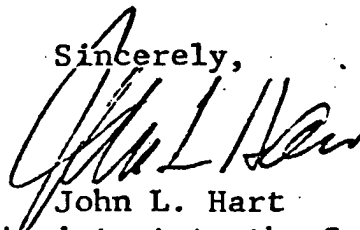

STAT Confirming our conversation of 25 May, the  
Treasury Department would appreciate having Mr.  
[redacted] detailed to us on a reimbursable  
basis. This arrangement was approved at this end  
by Deputy Secretary Simon last Friday.

STAT [redacted] will be assigned initially to replace  
STAT [redacted] who is about to retire. Later, follow-  
ing a contemplated reorganization here, I would  
expect him to become Deputy to Bill Morell who will  
be my successor.

STAT [redacted] tells me that he would probably report  
for duty by the end of this week, which would be  
highly desirable in view of the change of personnel  
here.

Your assistance is much appreciated.

Sincerely,

John L. Hart  
Special Assistant to the Secretary  
for National Security
